Hostage US is pleased to offer the following opportunities to sponsor our 2022 Annual Reception, which will be held virtually across the world and in-person in Washington, DC, on April 28, 2022. The reception will bring together leaders from the government, private sector, media, and former hostages and their families.

Your sponsorship guarantees that hostages, wrongful detainees, and their families get the care they need through access to support, information, and pro bono professional services. You ensure that no family or former captive suffers this ordeal alone.

Thank you for supporting our vital mission.

Hostage US is a 501c3 nonprofit organization. Donations made to Hostage US are tax-deductible.
